

# VFM1586-11E

15" Digital photo frame

## Big Memories to share

This beautiful large digital multimedia frame plays music and supports most formats. Choose ViewSonic VFM 1586-11E with a high resolution for clear and crisp photo images. The aspect ratio of 4:3 is the best format for displaying digital photos where images appear natural and undistorted. It's equipped with a remote control and one USB port for content download. This makes a lovely gift for special occasions and for anyone wanting a grand view of all their images.

### Features
