

Cinema2Go

Pocket Camcorder Projector **DVP5**

It's Your Show!

Pocket Camcorder Projector shoots and projects photos and HD videos instantly on any surface. Upload and project any image from Micro SD card or external devices such as mobile phones, notebook/PCs, game consoles and even media players. Mini HDMI makes it easy to playback videos right on your TV. LED backlight supports long lifetime—more than 20,000 hours. The ergonomic design and compact pocket size make it easy to carry and is a perfect on-the-go device. So go ahead, share the fun with friends or use the device to make important presentations for small audiences.

Capture It All in HD Video

5 mega pixel camera shoots then projects HD Video instantly.

Entertainment on the Go

Videos, games and movies come to life on a projected image.
