

N3240w

**32" WIDESCREEN
HD-READY LCD TV**
WITH SRS DIGITAL SURROUND SOUND

Large enjoyment in HD quality

ViewSonic's HD ready N3240w 32" widescreen LCD TV rewards you with cinema-style entertainment and optimal versatility. Together, its ClearPicture™ electronics, stunning brightness, and high-definition LCD panel with a contrast ratio of 1200:1 deliver smooth video with razor-sharp images in vibrant colours. Ensuring long-term compatibility, multiple video and audio connections allow you to connect game consoles, set top boxes, DVD recorders, media centre PCs and more. With picture-by-picture (PBP) and picture-in-picture (PIP) functions, the N3240w even lets you watch a movie while surfing the internet or tracking a second video source. The integrated 20-watt SRS WOW virtual surround sound system enhances your viewing experience with life-like audio quality. N3240w - Whether you're using it as a PC monitor or as the digital centrepiece of your home cinema system, enjoy high-definition video entertainment for the future.

HDTV – PURE CINEMA ENTERTAINMENT

> Advanced image processing

Integrated motion adaptive progressive scan, 3D comb filter and 3:2 pull down give you a larger, clearer picture with fewer artefacts. Low level contrast enhancement brings clarity to darker images.

> Experience widescreen HDTV

Enjoy a widescreen theatre experience and high-definition picture quality with this display's 16:9 aspect ratio, HD ready capability, and wide viewing angles.

> Vivid graphics, clear text, stunning TV

Ultra-high brightness of 500cd/m² (typ.), a high contrast ratio of 1200:1 (typ.), and 1366 x 768 optimum resolution provides vibrant video and crisp data images on the desktop or in the living room.

> Expand your options with plug-and-play connectivity and universal remote control

This HD ready, LCD TV provides the ultimate viewing experience with plug-and-play, high-end connectivity for HD set-top boxes, DVDs, game consoles and camcorders.

> OptiSync® technology featuring HDMI

Add versatility to your LCD TV with support for HDMI with high-bandwidth digital content protection (HDCP) and analogue (PC-VGA) signals, plus dual SCART, component, S-video and dual composite video inputs.

> Powerful high-fidelity audio

It's all accompanied by an ultra-high-fidelity 20 watt SRS WOW audio system that completes the entertainment experience.
