**40" WIDESCREEN  
HD-READY LCD TV**  
HIGH DEFINITION LCD TV

## The ultimate widescreen-TV experience

No matter if for thrilling video entertainment in the home or as a wide-screen entertainment and information display for public spaces, the 40" N4066w (102cm) with DVB-T digital TV receiving capability is an excellent choice. The stylish next generation high definition LCD TV with an HDMI (HDCP compliant) interface guarantees true digital connectivity for improved uncompressed digital video and audio quality. Equipped with ADVANCED DNX™ VIDEO SIGNAL PROCESSING it boasts an ultra-high contrast ratio and brightness value for sharper, brighter and richer images. Furthermore, the latest generation ULTRA FAST-RESPONSE time panel will provide a completely fluid viewing experience even when watching fast moving, high-speed images. The advanced integrated sound system will immerse you with impressive virtual surround sound.

### IMPRESS YOUR FRIENDS, IMPRESS YOURSELF

- > **Built-in DVB-T – decode and watch the digital world of TV programs.**
- > **Experience widescreen HDTV**  
Enjoy a wide-screen theatre experience and high-definition<sup>1</sup> picture quality with this display's 16:9 aspect ratio, HD ready capability, and wide viewing angles.
- > **DNX™ image processing technology**  
DNX image processing provides superior picture quality through precision deinterlacing, 10-bit colour processing, advanced scaling and Pixelboost for smoother, sharper full-motion video with incredibly rich colours.
- > **Vivid graphics, clear text, stunning TV**  
Ultra-high brightness of 500cd/m<sup>2</sup> (typ.), high contrast ratio of 1200:1 (typ.), and 1366 x 768 optimum resolution provides vibrant video and crisp data images on the desktop or in the living room.
- > **Expand your options with plug-and-play connectivity and universal remote control**  
This HD ready, LCD TV provides the ultimate viewing experience with plug-and-play, high-end connectivity for HD set-top boxes, DVDs, game consoles and camcorders.
- > **OptiSync® technology featuring HDMI**  
Add versatility to your LCD TV with support for HDMI with high-bandwidth digital content protection (HDCP) and analogue (VGA) signals, plus component, S-video, composite, and video input.
- > **Powerful high-fidelity audio**  
It's all accompanied by an ultra-high-fidelity 20 watt SRS TruSurround audio system that completes the entertainment experience.
