

## 720p High Definition Projector for Home Entertainment

ViewSonic's Pro6200 720p projector delivers a true HD home entertainment experience by displaying high definition content on a big screen at an affordable price. The 720p 1280 x 720 native resolution supports Full HD for HDTV, movies and gaming. The Pro6200 combines state-of-the-art DLP® and BrilliantColor™ technology, with 2,700 lumens brightness and 3000:1 contrast ratio to deliver a stunning visual experience to any home entertainment system. The lamp life is over 6,000 hours, thereby lowering total cost of ownership and extending the projector's lifespan. With a built-in speaker and multiple connectivity, including HDMI input, the Pro6200 connects to any DVD Player, game console and more for complete home entertainment.

# Pro6200

## 2700 lumen DLP Projector

- > **HD 720p native resolution and support for 1080p content**  
With high definition 720p 1280 x 720 native resolution with support for 1080p, you can enjoy high quality movies, HDTV, gaming and other multimedia experiences with crisp, distortion free images.
- > **Bright in virtually any setting with 2,700 lumens**  
Packed with 2,700 lumens and 3000:1 high contrast ratio (DCR), this projector is the perfect choice for home entertainment
- > **Auto keystone correction for easy set up**  
The auto keystone correction function automatically adjusts its images from all angles to ensure a perfect, distortion-free presentation.
- > **HDMI True Digital Connectivity**  
Equipped with HDMI inputs, it delivers the highest picture and sound quality without losing any degradation. It's ideal for connecting to any HDMI-enabled devices from smart phones, tablets, laptops, computers to Blu-ray® DVD players.
- > **ECO Mode with 6,000 hours lamp life**  
The life of a common projector lamp is around 4,000 hours, but ViewSonic's high-efficiency lamps can last for up to 6,000 hours using ECO Mode. This greatly extends your projector's lifespan and significantly delays a need for lamp replacement.
- > **Integrated 5W speaker**  
The Pro6200 packs a built-in 5W speaker to provide high volume audio performance for home entertainment without the need for external speakers.
