ViewSonic ViewPad 7

The ultimate mobile tablet

Lightweight, stylish and robust

The design makes it a perfect mobile device as its small enough to not be a burden, designed to be unobtrusive and built with the best materials.

Impressive connectivity provides a multitude of options

With built in Wi-fi, Bluetooth, GPRS and 3G GSM connectivity the ViewPad 7 is ready to go anywhere at anytime. Able to make a phone call one minute and then download email the next, the ViewPad 7 can always be connected.

Innovative Google Android 2.2

Access thousands of applications through Google Android market and experience the full certified Android experience. Smooth operation and a customisable interface are just the start.

Expandable storage

The integrated 512MB hosts the impressive Android experience, with the micro SD slot providing up to 32GB additional storage if required.

ViewPad 7 can be used as a high quality EBook reader or play work using the front and back make a phone call.
