The ViewSonic® VPC12-WPO Windows slot-in OPS (Open Pluggable Specification) PC is the ideal integrated solution for delivering smart whiteboard and smart meeting room functionality on ViewBoard® interactive flat panel IFP7500. This Intel Unite® certified slot-in OPS PC module supports wireless group presentation with high-definition audio and video. With wireless Wi-Fi dual band and Bluetooth, a powerful Intel® Core™ i5 vPro™ processor, 8GB (Up to 16GB) DDR4 memory, and a 128GB (Up to 512GB) SSD storage, the VPC12-WPO contains the computing power needed to operate CPU intensive applications while providing advanced security by Intel vPro™ technology. Connectivity options including 4K HDMI, VGA, USB 3.0 ports, and Gigabit LAN RJ45 ensure that you stay connected to any and all peripheral devices.

Powerful Intel vPro™ Processor for Corporate Level Security

VPC12-WPO utilizes an Intel® Core™ i5 vPro™ processor that provides the additional computing power with high security mechanism such as password cracking, phishing, screen scraping, and integrating cryptographic keys.

Compatible with Intel Unite® for Smart Conference

Different mobile device users can share their screens and multimedia content to each other with ease. The host is able to choose onsite and outbound participants to attend the meeting while guests join without corporate network required.

128GB SSD Storage, 8GB of Internal Memory

The VPC12-WPO is capable of playing and storing enough multimedia content to satisfy even the most demanding users, thanks to 128GB (Up to 512GB) of SSD storage and 8GB (Up to 16GB) of on-board memory, making VPC12-WPO a reliable option for smooth multimedia playback free from crashes.

Complete Wireless Control

VPC12-WPO provides a Dual Band 2.4GHz/5GHz WiFi network, as well as Bluetooth support to offer users the convenience and flexibility of a complete wireless control.

Improved User Experience with Windows 10 Pro OS Support

With Microsoft® Windows® 10 Pro OS support, VPC10-WP provides access to all the best MS Office Suite applications for corporate and educational use. A built-in browser also offers users instant access to the internet.

Compatible with ViewSonic® ViewBoard® IFP7500

The VPC12-WPO is designed to provide more powerful computing performance for the ViewSonic® ViewBoard® IFP7500.
