# ViewPad 10s

The best of ultimate tablet

## 10.1" tablet that offers Android 2.2 and Full phone capability

### For more product information

The design makes it a perfect mobile device as its small enough for traveling easily, designed to be stylish and built with highest standard materials.

## Ready for work or play

Fully multimedia capable, the ViewPad 10s can be used as a high quality EBook reader or play movies. But when needed you can work using the front and back cameras for video conferencing or make a phone call.

## Supports Innovative Google Android 2.2 with Adobe Flash 10.1

Access thousands of applications through Google marketplace and experience the full certified Android experience.

## Impressive connectivity provides a multitude of options

With built in Wi-fi, Bluetooth, 3G GSM connectivity, able to make a phone call one minute and then download email the next, the ViewPad 10s can always be connected.

## Expandable storage

The integrated 512MB hosts the impressive Android experience, with the mico SD slot providing up to 32GB additional storage if required.
