Corporate Office: ViewSonic India Pvt. Ltd.
1st Floor, MO-03, Clayworks Spaces - Clayworks Create North Wing.
11KM, Arakera Banngerghatta Rd,
Bengaluru, Karnataka 560076

OUR JOURNEY

1987

Keypoint Technology Corp. was founded in California, US

1990

Launched ViewSonic monitors

1999

Launched DLP projectors

2005

Introduced digital signages

2017

Launched Large Format Displays, including ViewBoard and commercial displays

2018

Launched myViewBoard suite and transformed from a device company to a solution provider

2020

Initiated Education Ecosystem Development

2022

Launched a Virtual Campus, UNIVERSE, for online learning

2024

Launched SaaS business line featuring ClassSwift, TeamOne Chirp AI, and other software initiatives.

Certified World's 1st "ViewSonic Future School" in Taiwan

Launched two major solutions: Future Classroom and Future Meeting Room

OUR VISION & MISSION STATEMENT

OUR VISION

Inspire the world to see the difference between the ordinary and the extraordinary.

OUR MISSION

We transform education, workplaces, and lives through innovative visual solutions. Our unified ecosystem of hardware, software, services, and seamless integration empowers creativity, collaboration, and lifelong learning.

ViewSonic®

ViewSonic® Open Frame Certified for Anywhere

Explore the ViewSonic Open Frame - a pinnacle of visual solutions built for demanding industrial environments. Engineered with IP65-rated water and dust resistance, IK08-level impact resistance, and responsive multi-touch capability, our displays are designed to perform reliably in harsh conditions. Combined with meticulous quality control and customizable options such as screen size and connectivity, these displays integrate seamlessly with existing systems to enhance productivity. Leverage our expertise in visual technology to experience superior durability, performance, and reliability tailored to your operational needs .
